

SKS BSH2012 audio

With the innovative BSH2012 audio SKS sets current standard: Without making any compromises this compact intercom with its unobtrusive design is focused on the main functions of a call station. The BSH2012 audio is the innovation of the SKS base models within the segment of indoor stations with receiver.

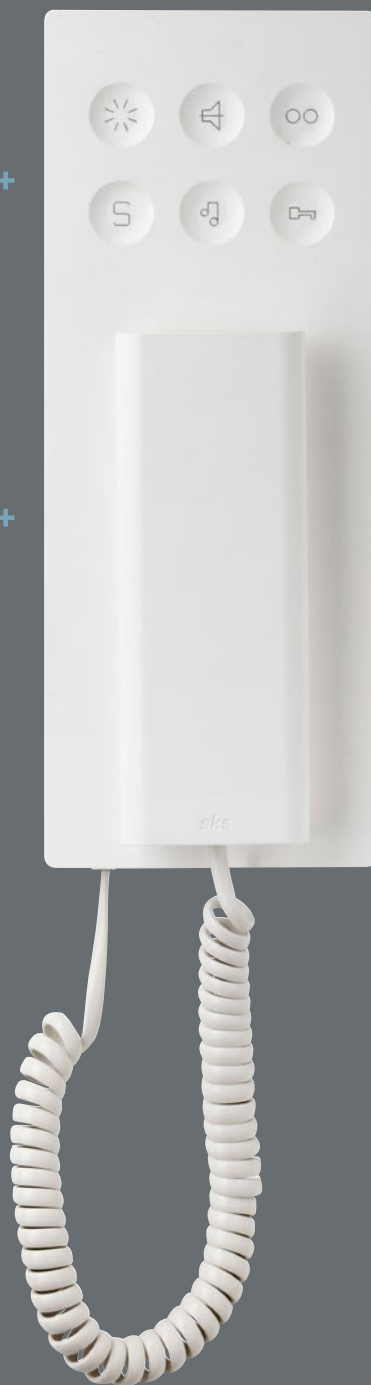

Based on the dimensions the BSH2012 completely covers the previous indoor station **HT4500-3-MS (800079)**. Therefore, **no repair works are necessary** when replacing.

Elegant and timeless design +

Harmonic ringtones +

+ Optimal handling for any target group

+ Ergonomic receiver held on by magnet

Specifications and features

 90 x 228 x 47 mm
 Dimensions: width x height x depth

 Available color:
 white
